

Alternative Funding for Oakland Clean Water

presented by: Lesley Estes

Oakland has No Stormwater Fee

Excess Litter Fee

City of Oakland EXCESS LITTER FEE PROGRAM

WHAT IS THE EXCESS LITTER FEE PROGRAM?

On February 21, 2006, The City of Oakland adopted Ordinance 12727, enacting an Excess Litter Fee on Fast Food Businesses, Convenience Markets, Gasoline Station Markets and Liquor Stores. The purpose of this ordinance is to create and maintain safe, clean and sanitary streets, sidewalks, and public spaces by assessing a fee on businesses known to generate particularly high amounts of disposable materials that end up as trash and litter on the streets. The fee will not only provide the resources to collect and dispose of such trash to keep our City clean, but will also prevent trash and litter from entering the City's storm water runoff system, and potentially polluting those waters and/or hampering the proper performance of our system.

WHO IS REQUIRED TO FILE AND PAY

- > Fast Food Businesses
- > Convenience Markets
- > Gasoline Station Markets
- > Liquor Stores

Every eligible business must file an Excess Litter Fee declaration and pay an annual fee on or before September 30th of each year. The basis for the fee is your annual gross receipts—except receipts for the sale of alcohol, gasoline or automotive services or products. Your fee covers the period from October 1 through September 30th of the following year. Eligible businesses in Business Improvement Districts (BID) that currently pay BID assessments are required to pay only 50% of the litter fee. Vehicular food vendors are not subject to the fee.

ELIGIBLE BUSINESSES DEFINED: (ORD 12727)

CONVENIENCE MARKET: means any business engaged in the retail sale of food, beverages, and small personal convenience items, primarily for immediate off-premises consumption and typically found in establishments with long or late hours of operation but excludes delicatessens and other specialty food shops and businesses, businesses that are engaged in Large-Scale Combined Retail and Grocery sales Commercial Activities, as defined by Oakland Municipal code Section 17.10.345, and businesses that have a sizeable assortment of fresh fruits and vegetables and fresh-cut meat.

FAST FOOD BUSINESS: means any business engaged in the retail sale of ready-to-eat prepared foods and beverages, for on- or off-premises consumption, whenever the foods and beverages are available upon a short waiting time and are primarily served in or on disposable wrappers, containers, or plates. Fast-Food Businesses may also exhibit other design and operating characteristics, including: (a) a limited menu; (B) food is typically ordered and served at a service counter; (C) food is paid for prior to consumption; (D) the facility in which the activity/use is occurring provides a take-out counter space and space for customer queuing. They also include certain activities accessory to the above, as specified in Section 17.10.040. In those areas of the city subject to the vehicular food vending pilot program ordinance, a business engaged in "vehicular food vending," as defined by Section 17.10.290, is not considered a Fast Food Business.

GASOLINE MARKET: means any business engaged in the retail sale of food, beverages and small personal convenience items along with the retail sale of gasoline but excludes any business engaged in

Litter Fee Applies to:

- Fast Food Businesses
- Convenience Markets
- Gasoline Station Markets
- Liquor Stores

Disposable Food Service Ware
To-go containers

CITY OF OAKLAND

Greenware Ordinance

STARTS JANUARY 1, 2007
Oakland Municipal Code Section 8.07

1

Oakland food vendors/restaurants may no longer use polystyrene foam (Styrofoam®) disposable food service ware. Violations may result in fines. (See back.)

2

Oakland food vendors and restaurants must change to biodegradable/compostable disposable food service ware such as paper or "bio-plastic", as it becomes affordable (same or less cost).

Resources to Help You Meet City Requirements:

- ✓ Ask your **current supplier** about products that meet the City's new requirements for food service ware.
- ✓ Call the **City of Oakland Recycling Hotline at 238-SAVE (7283)** for a list of biodegradable food service ware suppliers, or for any questions related to this ordinance.
- ✓ Visit oaklandgreenware.com for more suppliers and information.

See reverse for exceptions and more information.

Food service ware is a large contributor to litter, blight and waste throughout Oakland. In addition, many food service ware products made from plastic may be hazardous to our health. To make our city cleaner and healthier and help our community achieve zero waste, Oakland has passed a disposable food packaging ordinance. Similar ordinances are now being adopted across California.

Guidelines and Application for the California River Parkways and Urban Streams Restoration Grant Programs

The Resources Agency (Agency) and the California Department of Water Resources (CDWR) are pleased to announce the joint release of the guidelines and application for the California River Parkways (RP) and the Urban Streams Restoration (USR) grant programs. Funding for both programs is available through the Safe Drinking Water, Water Quality and Supply, Flood Control, River and Coastal Protection Bond Act of 2009 – Proposition 84. Proposed available funding and timelines are contingent upon enactment of the FY 2010 budget and subsequent budget decisions.

River Parkways:	\$32.8 million
Urban Streams:	\$5.1 million
Application deadline:	November 12, 2009
Anticipated project completion date:	May 1, 2012

The guidelines and application are available online at <http://www.resources.ca.gov/bonds/measureprop84/> or http://www.waterboards.ca.gov/water_issues/programs/. Hard copies are available by calling (916) 653-3843.

Questions regarding the RP program should be directed to 916-653-2812. Questions regarding the USR program should be directed to 916-651-5626.

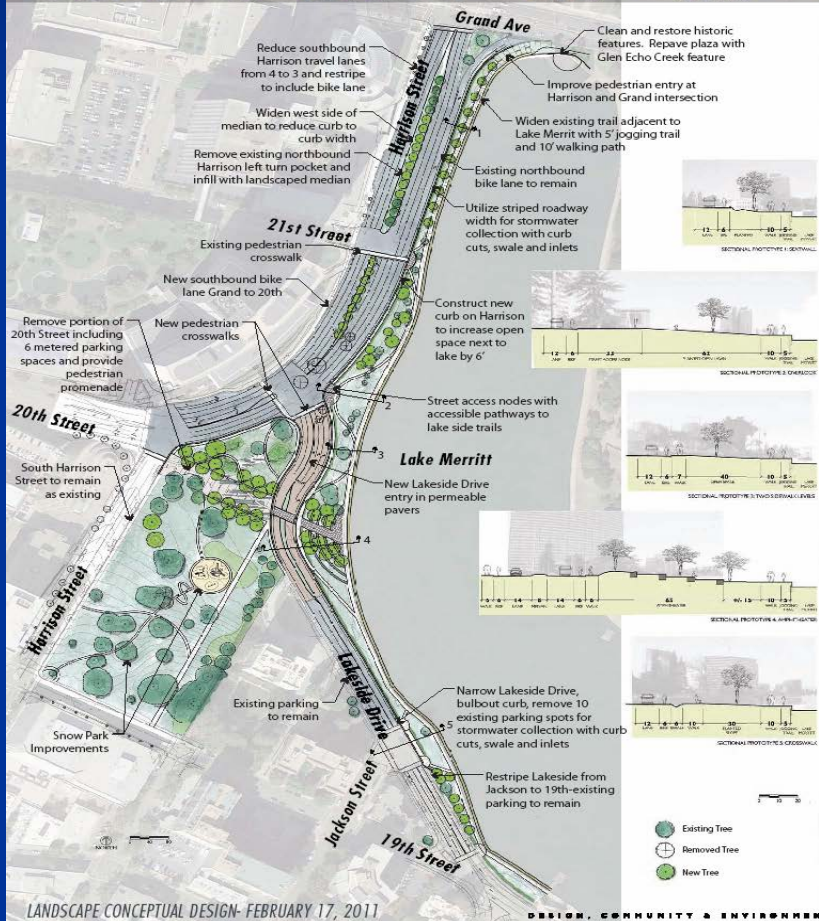

Technical Assistance Workshops will be held as follows (ISVP recommended):

Tuesday, September 15, 2009	Thursday, September 17, 2009	Thursday, October 1, 2009	Wednesday, October 7, 2009
1:00 – 3:30 p.m.	10:00 a.m. – 12:30 p.m.	1:00 – 3:30 p.m.	10:00 a.m. – 12:30 p.m.
